Dear Mr. Vanaskie:

As you had requested, enclosed is a copy of the draft Expanded Site Inspection (ESI) report for ~~Precision National, Incorporated~~, Clarkes Summit, Pennsylvania. I received the draft report before the expected due date of the first week of November that I had given in my October 9 letter to you.

I would like to have your comments no later than November 25, 1992 so that they may be incorporated into the final report. If I receive your comments after that date, I cannot guarantee that they will be addressed in the report.

If you should have any questions on the enclosed report, please do not hesitate to contact me at (215) 597-3165.

Sincerely,

Lorie A. Baker
Sr. Site Assessment Manager
Site Assessment Section
